PREMIUM NATURE EXPERIENCE

A Private Olive Oil Experience in Greece.

An exclusive immersion into Greek heritage, gastronomy, and nature, curated by FORELIA as a signature experience for discerning travelers seeking authenticity, elegance, and emotional depth.

FORELIA olive oil experiences are privately guided, unhurried, and fully customizable, offering high-end travel programs worldwide a refined yet deeply authentic addition to their itineraries.

Olive Oil Tour & Tasting
Plant Your Olive Tree

"2 Roots" was born from friendship.

Two friends, raised on different paths yet grounded in the same values, grew up with olive oil at the heart of their tables. For both, olive oil was never just an ingredient. It was memory, culture, and care passed down through generations.

Two people. Two stories. One shared passion. A meeting point where tradition meets friendship, and heritage becomes purpose.

Each bottle of Two Roots extra virgin olive oil reflects this union - olives carefully selected, pressed with patience, and treated with the same attention they would give to their own families' tables. Honest. Pure. Uncompromised.

Cold-extracted to preserve its natural flavor and nutritional value, offers a balanced taste with fruity notes and a smooth finish.

Perfect for salads, grilled vegetables, marinades, or simply enjoyed with fresh bread.

OLIVE OIL TASTING

Duration: approximately 60 minutes. Group size: up to 20 guests
Location: Outdoor tasting area

Guests are introduced to the world of premium extra virgin olive oil through a guided tasting experience that is both educational and sensory.

Highlights include:

- Introduction to Greek olive oil culture and production philosophy.
- Guided tasting of premium extra virgin olive oils.
- Understanding aroma, balance, freshness, and quality.
- Accompaniment with artisanal bread, feta cheese, olives and salad (+more options to taste).
- High educational and sensory value.
- Calm, elegant experience suitable for all ages.
- Easily integrated into half-day or full-day itineraries.

A guided walk through living heritage.

A gentle walk through the olive grove, where guests explore centuries-old trees and learn about cultivation, harvest traditions, and sustainable farming practices.

Duration: approximately 25 minutes Group size: up to 20 guests.
Terrain: Easy / accessible walking paths.

Experience highlights:

- Guided walk among olive trees with historical and cultural storytelling.
- Insight into traditional and modern cultivation practices.
- Discussion on sustainability, seasonality, and harvest rituals.
- Time for photography and quiet reflection in nature.
- Enhances the narrative depth of the experience.
- Offers a peaceful contrast to urban or fast-paced tours.
- Strong emotional and visual impact.

OLIVE GROVE TOUR

How It Works

- With a one-time ownership fee of €59, **FORELIA plants and dedicates an olive tree in your name.**
- You receive an **official adoption certificate** and the **GPS coordinates** of your tree, so you always know where it stands.
- Your tree remains yours for 5 years - a living piece of Greece that you can visit anytime.
- **2X 500ml of FORELIA Extra Virgin Olive Oil**, bottled with care are shipped to you or to a loved one you choose as a welcome gift. With every bottle, you taste not only the richness of Greek nature but the unique gift of your own tree.

Your Exclusive Benefits as a Tree Owner

- **Your Own Named Olive Tree.** Choose a name for your tree. It could be your own, a family member's, a friend's, or a meaningful word.
- **Certificate of Adoption.** Personalized proof of your tree ownership, beautifully designed.
- **GPS Coordinates.** Know the exact location of your tree and follow its growth.
- **10% Lifetime Discount.** Enjoy 10% off all FORELIA products during your ownership period.
- **VIP Grove Access.** Visit your tree anytime; walk in the groves, touch its bark, and feel your connection to the land.
- **A Gift That Lasts.** Ownership can also be gifted. Surprise someone with their own olive tree in Greece - a gift of heritage, health, and timeless value.
